

Mr. MOORE of Utah. Madam Speaker, I rise today to urge my colleagues to support H.R. 3113, the Modernizing Access to Our Public Land Act, or MAPLand Act.

Access to America's lands is critical. Driven in part by the COVID-19 pandemic, we are seeing more people hunt, fish, hike, and bike than ever before. Recreating on these lands creates fond memories, improves the physical and mental health of Americans, and contributes significantly to our economy.

Each year, outdoor recreation across the country injects \$887 billion into our economy. These dollars support communities in Utah and nationwide, contribute to high-paying jobs, and connect us through our shared hobbies and interests.

There are roughly 640 million acres of land in the Federal estate. Of these, more than 9 million acres in the Western United States have no permanent legal means of access.

Land users understand firsthand the shortage of information that exists on which lands are opened, how they can be accessed, and more. In fact, tens of thousands of important land access files are currently outdated or only in paper form, filling up cabinets in office building basements. This just simply isn't good enough for the 21st century.

This lack of access to crucial information prevents us from enjoying all that our lands have to offer, and it makes it more difficult for the hard-working employees at our land management agencies to do their jobs.

It is time to fix these problems by modernizing the data behind our Federal lands. My bill, H.R. 3113, the MAPLand Act, will do just that.

Madam Speaker, this bipartisan and bicameral commonsense legislation will help our Federal land management agencies work together better by creating shared data standards and improving the digital information available to all who visit our lands.

Making this information more detailed and accessible in the digital age is one of the many reasons why this bill enjoys such broad support. This is about helping families spend more time together outside, about improving the way that our government works, and about fostering and sharing the joy of the great outdoors.

□ 1515

I am grateful to Ranking Members FULCHER and WESTERMAN and Chairmen NEGUSE and GRIJALVA for cosponsoring the MAPLand Act and helping drive it forward.

I am also grateful for staff members and stakeholder groups who worked closely with my office at all hours on this important effort that will bring our lands into the 21st century. This has truly been a collaborative effort that will reverberate for years to come and one that I have been proud to be a part of.

Madam Speaker, I urge my colleagues to support my legislation, and

I hope my colleagues in the Senate will consider and pass this important bill expeditiously.

Mr. GRIJALVA. Madam Speaker, I reserve the balance of my time.

Mr. WESTERMAN. Madam Speaker, I encourage adoption of this commonsense bill. It will be very beneficial to provide better access to our outdoor recreation areas, and I think it would also be a great benefit to Americans.

Madam Speaker, I urge adoption, and I yield back the balance of my time.

Mr. GRIJALVA. Madam Speaker, I concur with Ranking Member WESTERMAN and urge support of the legislation, and I yield back the balance of my time.

Ms. JACKSON LEE. Madam Speaker, I rise today in strong support of H.R. 3113, the "Modernizing Access to Our Public Land Act," or the MAPLand Act, which will make it easier for every American to access data for outdoor recreation possibilities.

It directs the Department of the Interior, the Forest Service, and the U.S. Army Corps of Engineers to jointly develop and adopt standards to ensure compatibility among federal databases for the collection and dissemination of outdoor recreation data related to federal lands.

The Department of the Interior, the Forest Service, and the Corps of Engineers must digitize and publish geographic information system mapping data that includes:

federal interests, including easements and rights-of-way, in private land;

status information as to whether roads and trails are open or closed;

the dates on which roads and trails are seasonally opened and closed;

the types of vehicles that are allowed on each segment of roads and trails;

the boundaries of areas where hunting or recreational shooting is regulated or closed; and

the boundaries of any portion of a body of water that is closed to entry, is closed to watercraft, or has horsepower limitations for watercraft.

The MAPLand Act's stipulations will provide essential information to all Americans who wish to spend time on our beautiful public lands.

Because of the provisions in this bill, Americans will have the most up to date information about the trail they wish to hike, stream or lake they wish to fish on, or regulations of grounds on which they wish to hunt.

This ensures that all Americans will be safe while exploring our great outdoors, making this legislation's passage of the utmost necessity.

This bill would also allow our agencies to manage and plan more effectively while also reducing the potential for access-related conflicts between recreators and private landowners. Simply put, this legislation promises to help more people get outdoors.

Currently, more than 9.52 million acres of land in the West lack permanent and legal access points for public use, and information on these lands is still kept on paper files.

Approximately 5,000 of the Forest Service's 37,000 recorded easements have been digitized and uploaded to an electronic database. The MAPLand Act would help give federal land management agencies the resources they need to digitize these files for public use,

as well as require these agencies to provide information on seasonal vehicle restrictions on public roads and trails, hunting boundaries, and watercraft restrictions.

Madam Speaker, it is for these reasons that I strongly support H.R. 3113, the MAPLand Act and therefore urge my colleagues to support this legislation as well.

The text of the bill is as follows:

H.R. 3197

The Chair recognizes the gentleman from Arizona.

GENERAL LEAVE

Mr. GRIJALVA. Madam Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and include extraneous material on the measure under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Arizona?

There was no objection.

Mr. GRIJALVA. Madam Speaker, I yield myself such time as I may consume.

Madam Speaker, I rise in support of H.R. 3197, the Save the Liberty Theatre Act introduced by my colleague Representative MIKE JOHNSON.

This bill would direct the Secretary of the Interior to convey a small piece of the historic Liberty Theatre to the city of Eunice, Louisiana. Although the theater is owned and operated by the city, it is adjacent to the Prairie Arcadian Cultural Center, which is owned by the National Park Service as a unit of Jean Lafitte National Historical Park.

In the 1980s, the Park Service ended up building an annex to the theater in order to construct an ADA compliant ramp and to house an air conditioning system for the two buildings. Now, the city of Eunice plans to build its own HVAC system. Consolidation of the property is a win-win: It will allow rehabilitation of the Liberty Theatre to move forward and decrease operating costs for the National Park Service.

This is a commonsense piece of legislation, and I am pleased to support it today. I thank Representative JOHNSON for bringing this bill forward and bringing it to our attention, and I urge our colleagues to support the passage today.

Madam Speaker, I reserve the balance of my time.

Mr. WESTERMAN. Madam Speaker, I yield myself such time as I may consume.

Madam Speaker, I also rise in support, along with Chairman GRIJALVA, of H.R. 3197, the Save the Liberty Theatre Act, offered by Mr. JOHNSON of Louisiana.

Mr. JOHNSON's bill transfers a federally owned annex to the city of Eunice, Louisiana, so the city can complete critical renovations to the historic Liberty Theatre.

Transferring this annex will allow the park to replace the HVAC system in the adjacent Prairie Arcadian Cultural Center and allow the city of Eunice to install a new HVAC system in the theater and perform other renovations that are currently hindered due to the National Park Services' ownership interest. This transfer will result

in cost savings for the National Park Service and the taxpayer.

Madam Speaker, I commend Mr. JOHNSON for his work to save this important Louisiana landmark and building local support for his legislation. I urge adoption of the measure, and I hope that the Senate will take up this bill very soon.

Madam Speaker, I yield back the balance of my time.

Mr. GRIJALVA. Madam Speaker, I urge my colleagues to support the legislation, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Arizona (Mr. GRIJALVA) that the House suspend the rules and pass the bill, H.R. 3197.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. GOOD. Madam Speaker, on that I demand the yeas and nays.

The SPEAKER pro tempore. Pursuant to section 3(s) of House Resolution 8, the yeas and nays are ordered.

Pursuant to clause 8 of rule XX, further proceedings on this motion are postponed.

DESIGNATION OF EL PASO COMMUNITY HEALING GARDEN NATIONAL MEMORIAL

Mr. GRIJALVA. Madam Speaker, I move to suspend the rules and pass the bill (H.R. 4380) to designate the El Paso Community Healing Garden National Memorial, and for other purposes.

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 4380

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. DESIGNATION OF EL PASO COMMUNITY HEALING GARDEN NATIONAL MEMORIAL.

(a) DESIGNATION.—The Healing Garden located at 6900 Delta Drive, El Paso, Texas, is designated as the “El Paso Community Healing Garden National Memorial”.

(b) EFFECT OF DESIGNATION.—The national memorial designated by this section is not a unit of the National Park System and the designation of the El Paso Community Healing Garden National Memorial shall not require or authorize Federal funds to be expended for any purpose related to that national memorial.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Arizona (Mr. GRIJALVA) and the gentleman from Arkansas (Mr. WESTERMAN) each will control 20 minutes.

The Chair recognizes the gentleman from Arizona.

GENERAL LEAVE

Mr. GRIJALVA. Madam Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and include extraneous material on the measure under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Arizona?

There was no objection.

Mr. GRIJALVA. Madam Speaker, I yield myself such time as I may consume.

Madam Speaker, I rise in support of H.R. 4380, a bill to designate the El Paso Community Healing Garden National Memorial, introduced by my colleague, Representative VERONICA ESCOBAR.

On August 3, 2019, El Paso, Texas, was the target of a horrific domestic terrorist attack that took 23 lives, injured another 23 people, and devastated communities across the Nation.

The mass shooting occurred at a Walmart Supercenter on the east side of El Paso and is arguably the deadliest targeted attack against Latinos in modern American history.

Following the attack, the county of El Paso approved the construction of the El Paso Community Healing Garden to provide the community with a space to honor victims and survivors and to heal.

My heart goes out to all the victims of this horrific attack. While I know there is nothing we can do to turn back the clock, I hope that our efforts to recognize this site as a national memorial will help bring some solace and healing to the community.

Madam Speaker, I thank Representative ESCOBAR for championing this bill, and I urge my colleagues to support it.

Madam Speaker, I reserve the balance of my time.

Mr. WESTERMAN. Madam Speaker, I yield myself such time as I may consume.

Madam Speaker, along with Chairman GRIJALVA, I rise in support of H.R. 4380, which would designate the El Paso Healing Garden in El Paso, Texas, as a national memorial.

On August 3, 2019, 23 people tragically lost their lives and more than 20 were injured when a gunman opened fire at a Walmart in El Paso. In 2020, the county of El Paso approved the construction of the El Paso Community Healing Garden to provide a space to honor victims and survivors and aid in the healing process.

I hope that the El Paso Healing Garden will continue to bring peace and comfort to the families who lost loved ones in this senseless and horrific attack.

Madam Speaker, I urge my colleagues to support this measure, and I reserve the balance of my time.

Mr. GRIJALVA. Madam Speaker, I yield such time as she may consume to the gentlewoman from Texas (Ms. ESCOBAR), the sponsor of the legislation.

Ms. ESCOBAR. Madam Speaker, I rise today in strong and enthusiastic support of my bill, H.R. 4380, the El Paso Community Healing Garden National Memorial Act.

My bill will designate the El Paso Healing Garden at Ascarate Park in El Paso, Texas, as a national memorial, and help ensure that our entire country honors the 23 innocent lives we lost in
